

WARRANTY

Welker Engineered Products (“Welker”) warrants to its customers purchasing products manufactured by Welker that such products are free from defects in workmanship and materials. Welker warrants it will repair defects in its manufactured product determined by Welker to have occurred as a result of defective workmanship and /or materials. Products produced by other manufacturers and incorporated into Welker products carry that manufacturer’s* warranty. This warranty automatically expires three years from the date of Welker’s shipment of the products to its customer. The aforementioned warranty shall not apply if Welker determines the product(s) were misapplied, abused[†], or modified by the customer. Welker makes no express warranty, no warranty of merchantability, no warranty of fitness for a particular purpose and no warranty which extends beyond this writing on Welker manufactured products or any other products sold by Welker.

Under no circumstances shall Welker be liable to anyone for incidental, consequential, exemplary, special or punitive damages whether direct or indirect, including, but not limited to, down time or personal injury, arising out of or related to any products sold or manufactured by Welker.

Any product thought to be defective in workmanship or materials must be returned to Welker freight pre-paid for evaluation. Welker shall not be liable for labor cost incurred in the removal of a part, defective part or the installation of any replacement part.
